To whom it may concern,

Thank you for your enquiry for Namsa products.

Please be advised that MacTec Ltd. is now the distributor for Namsa products in the UK. MacTec have been distributing Namsa products in Ireland for fifteen years. Our customers include companies from the biotech, pharmaceutical, medical device and food industry, and also research institutions and universities/colleges.

MacTec hold stock of many Namsa products to ensure a prompt delivery service and we provide a full technical support service to clients on all Namsa queries. Customers are notified of any changes to Namsa products well in advance, and data on all aspects of the product from testing protocols, MSDS's or material specifications are available on our website (www.mactec.ie) or via email request (info@mactec.ie).

Quotations for Namsa products will be submitted in euro as standard, or sterling pricing can be provided upon request. Customers who wish to set up an account with us can avail of our credit application facility, terms and conditions. Accounts can be set up in sterling or euro currency and MacTec will be happy to complete vendor/quality questionnaires where necessary.

For further information, please contact us at the email address above.

Kind regards,
David McClure
MacTec Director.
